8 DECLARATION OF TAX RESIDENCE

Canada is committed to international tax cooperation and an important part of that work involves the exchange of information between tax administrations. Cooperation between partner jurisdictions will assist in combating tax evasion and in promoting voluntary compliance with tax laws. Automatic exchange of financial account information with the United States (“U.S.”) exists under the Canada-U.S. Intergovernmental Agreement for the Enhanced Exchange of Financial Account Information with respect to taxes. Canada’s automatic exchange of financial account information arrangements with jurisdictions other than the U.S. have been implemented in accordance with the Common Reporting Standard (“CRS”). Under these arrangements, financial institutions need to better understand the tax residence of their account holders and to report such information. To that end, we ask that you fill out and sign the self-certification Canada Revenue Agency (“CRA”) *Declaration of Tax Residence for Individuals – Part XVIII and Part XIX of the Income Tax Act* (“Form RC518”) **available on the last page of this document**. FCFI will report, if necessary, this information to the CRA who in turn will exchange it with tax administrations of partner jurisdictions, including the U.S. Internal Revenue Service (“IRS”).

- As indicated at section 3 - Certification of the Form RC518, I certify that the information given on the said form is correct and complete in all material aspects and I hereby undertake to provide FCFI with an updated Form RC518 within 30 days of any change in circumstances that causes the information provided to become incomplete or inaccurate.

Should you have further questions, please visit the CRA website at www.cra-arc.gc.ca/menu-eng.html or consult your tax advisor.

MUTUAL FUND DEALERS ASSOCIATION OF CANADA

Client Complaint Information Form

Clients of a mutual fund dealer who are not satisfied with a financial product or service have a right to make a complaint and to seek resolution of the problem. MFDA Member dealers have a responsibility to their clients to ensure that all complaints are dealt with fairly and promptly. If you have a complaint, these are some of the steps you can take:

- Contact your mutual fund dealer. Member firms are responsible to you, the investor, for monitoring the actions of their representatives to ensure that they are in compliance with by-laws, rules and policies governing their activities. The firm will investigate any complaint that you initiate and respond back to you with the results of their investigation within the time period expected of a Member acting diligently in the circumstances, in most cases within three months of receipt of the complaint. It is helpful if your complaint is in writing.
- Contact the Mutual Fund Dealers Association of Canada ("MFDA"), which is the self-regulatory organization in Canada to which your mutual fund dealer belongs. The MFDA investigates complaints about mutual fund dealers and their representatives, and takes enforcement action where appropriate. You may make a complaint to the MFDA at any time, whether or not you have complained to your mutual fund dealer. The MFDA can be contacted:
 - By completing the on-line complaint form at www.mfda.ca
 - By telephone in Toronto at **(416) 361-6332**, or toll free at **1-888-466-6332**
 - By e-mail at complaints@mfda.ca¹
- In writing by mail to **121 King Street West, Suite 1000, Toronto, ON M5H 3T9** or by fax at **(416) 361-9073**

¹ You may wish to consider issues of internet security when sending sensitive information by standard e-mail.

Compensation:

The MFDA does not order compensation or restitution to clients of Members. The MFDA exists to regulate the operations, standards of practice and business conduct of its Members and their representatives with a mandate to enhance investor protection and strengthen public confidence in the Canadian mutual fund industry. If you are seeking compensation, you may consider the following:

- Ombudsman for Banking Services and Investments ("OBSI"): You may make a complaint to OBSI after you have complained to the dealer, at either of the following times:

- If the dealer's Compliance Department has not responded to your complaint within 90 days of the date you complained, or;
- After the dealer's Compliance Department has responded to your complaint and you are not satisfied with the response. Please note that you have 180 calendar days to bring your complaint to OBSI after receiving the dealer's response.
- OBSI provides an independent and impartial process for the investigation and resolution of complaints about the provision of financial services to clients. OBSI can make a non-binding recommendation that your firm compensate you (up to \$350,000) if it determines that you have been treated unfairly, taking into account the criteria of good financial services and business practice, relevant codes of practice or conduct, industry regulation and the law. The OBSI process is free of charge and is confidential. OBSI can be contacted:
 - By telephone in Toronto at **(416) 287-2877**, or toll free at **1-888-451-4519**
 - By e-mail at ombudsman@obsi.ca
- Legal Assistance: You may consider retaining a lawyer to assist with the complaint. You should be aware that there are legal time limits for taking civil action. A lawyer can advise you of your options and recourses. Once the applicable limitation period expires, you may lose rights to pursue some claims.
- Manitoba, New Brunswick and Saskatchewan: Securities regulatory authorities in these provinces have the power to, in appropriate cases, order that a person or company that has contravened securities laws in their province pay compensation to a claimant. The claimant is then able to enforce such an order as if it were a judgment of the superior court in that province. For more information, please visit:
 - Manitoba: www.msc.gov.mb.ca
 - New Brunswick: www.nbsc-cvmnb.ca
 - Saskatchewan: www.fcaa.gov.sk.ca
- Québec:
 - If you are not satisfied with the outcome or with the examination of a complaint, the Autorité des marchés financiers ("AMF") can examine your complaint and may provide dispute resolution services.
 - If you think you are a victim of fraud, fraudulent tactics or embezzlement, you can contact the AMF to see if you meet the eligibility to submit a claim to the *Fonds d'indemnisation des services Financiers* ("Financial Services Compensation Fund"). An indemnity up to \$200,000 can be payable through monies accumulated in the fund for an eligible claim.

Risk of Borrowing to Invest

Here are some risks and factors that you should consider before borrowing to invest:

IS IT RIGHT FOR YOU?

Borrowing money to invest is risky. You should only consider borrowing to invest if:

- You are comfortable with taking risk.
- You are comfortable taking on debt to buy investments that may go up or down in value.
- You are investing for the long-term.
- You have a stable income.

You should not borrow to invest if:

- You have a low tolerance for risk.
- You are investing for a short period of time.
- You intend to rely on income from the investments to pay living expenses.
- You intend to rely on income from the investments to repay the loan. If this income stops or decreases you may not be able to pay back the loan.

YOU CAN END UP LOSING MONEY

- If the investments go down in value and you have borrowed money, your losses would be larger than had you invested using your own money.
- Whether your investments make money or not you will still have to pay back the loan plus interest. You may have to sell other assets or use money you had set aside for other purposes to pay back the loan.
- If you used your home as security for the loan, you may lose your home.
- If the investments go up in value, you may still not make enough money to cover the costs of borrowing.

TAX CONSIDERATIONS

- You should not borrow to invest just to receive a tax deduction.
- Interest costs are not always tax deductible. You may not be entitled to a tax deduction and may be reassessed for past deductions. You may want to consult a tax professional to determine whether your interest costs will be deductible before borrowing to invest.

Your advisor should discuss with you the risks of borrowing to invest.

POLITICALLY EXPOSED PERSON OR HEAD OF AN INTERNATIONAL ORGANIZATION STATUS DETERMINATION

DEFINITIONS

(1) FOREIGN POLITICALLY EXPOSED PERSON (FOREIGN PEP)

Client who holds or has held one of the following offices or positions in or on behalf of a foreign state:

- head of state or government;
- member of the executive council of government or member of a legislature;
- deputy minister or equivalent rank;
- ambassador or ambassador's attaché or counsellor;
- military officer with a rank of general or above;
- president of a state-owned company or bank;
- head of a government agency;
- judge of a supreme court, constitutional court or other court of last resort; or
- leader or president of a political party represented in a legislature.

These persons are foreign PEPs regardless of citizenship, residence status or birth place.

A person determined to be a foreign PEP, is forever a foreign PEP.

(2) DOMESTIC POLITICALLY EXPOSED PERSON (DOMESTIC PEP)

Client who holds (or has held within the last five (5) years) a specific office or position in or on behalf of the Canadian federal government, a Canadian provincial government, or a Canadian municipal government:

- Governor General, lieutenant governor or head of government;
- member of the Senate or House of Commons or member of a legislature;
- deputy minister or equivalent rank;
- ambassador, or attaché or counsellor of an ambassador;
- military officer with a rank of general or above;
- president of a corporation that is wholly owned (100%) directly by Her Majesty in right of Canada or a province;
- head of a government agency;
- judge of an appellate court in a province, the Federal Court of Appeal or the Supreme Court of Canada;
- leader or president of a political party represented in a legislature; or
- mayor*.

* In line with legislation across Canada, municipal governments include cities, towns, villages and rural (county) or metropolitan municipalities. As such, a mayor is the head of a city, town, village, or rural or metropolitan municipality, regardless of the size of the population.

A person ceases to be a domestic PEP five (5) years after they have left office.

(3) HEAD OF AN INTERNATIONAL ORGANIZATION (HIO)

Client who is either:

- head of an international organization established by the governments of states; or
- head of an institution established by an international organization.

* "Head of" refers to the primary person who leads that organization, for example a president or CEO.

An international organization is one set up by the governments of more than one country. If the organization was established by means of a formally signed agreement between the governments of more than one country, then the head of that organization is a HIO. The existence of these organizations is recognized by law in their member countries but the organizations are not seen to be resident organizations of any one member country.

There is no requirement for an institution established by an international organization to operate internationally.

Please consult the list of examples of international organizations and institutions established by international organizations:

www.fintrac.gc.ca/publications/guide/Guide13/13-eng.asp#annexa

Once a person is no longer the head of the international organization, or the head of the institution established by an international organization, that person is no longer a HIO.

(4) FAMILY MEMBER OF A FOREIGN PEP, DOMESTIC PEP OR HIO

Client whose family member is a foreign or domestic PEP or HIO:

- their spouse or common-law partner;
- their child;
- their mother or father;
- the mother or father of their spouse or common-law partner; and
- a child of their mother or father (sibling).

(5) CLOSE ASSOCIATE OF A FOREIGN POLITICALLY EXPOSED PERSON*

Client who is closely connected to a foreign PEP for personal or business reasons, even if such association is not otherwise widely or publicly known. Here are some examples (this is not an exhaustive list):

- business partners with, or who beneficially owns or controls a business with, a foreign PEP;
- in a romantic relationship with a foreign PEP (ex: boyfriend or girlfriend);
- involved in financial transactions with a foreign PEP;
- prominent member of the same political party or union as a foreign PEP;
- serving as a member of the same board as a foreign PEP;
- closely carrying out charitable works with a foreign PEP;
- etc.

* The determination pertaining to close associates of a domestic PEP and HIO only applies when a *fact is detected* about the applicant(s)

- Canadian financial institutions are required under Part XVIII and Part XIX of the *Income Tax Act* to collect the information you provide on this form to determine if they have to report your financial account to the Canada Revenue Agency (CRA). The CRA may share this information with the government of a foreign jurisdiction that you are resident of for tax purposes. - Fill in all sections of this form that apply to you. If you do not have all the necessary information when you fill out the form, you may be given up to 90 days to give the missing information to your Canadian financial institution. If you do not give the missing information to your financial institution within the specified time frame, it may have to report your financial account to the CRA.

How to fill out the form

Section 1 – Identification of account holder

Use Section 1 to identify the account holder. Sometimes the account holder's address may be different from the mailing address. If this is the case, give both addresses.

The **account holder** is the person listed or identified as the holder of the financial account by the financial institution that maintains the account. But, when a person other than a financial institution holds a financial account for the benefit of or for another person as an agent, custodian, nominee, signatory, investment advisor, or intermediary, they are not considered the account holder. In such cases, the account holder is the person for whom the account is held.

If a trust or an estate is listed as the holder of a financial account, the trust or the estate is the account holder, not the trustee or the liquidator. Similarly, if a partnership is listed as the holder of a financial account, the partnership is the account holder, not the partners in the partnership. In such cases, fill out Form RC519, *Declaration of Tax Residence for Entities – Part XVIII and Part XIX of the Income Tax Act*.

An account holder also includes any person who can access the cash value or designate a beneficiary under a cash value insurance contract or an annuity contract.

The **policy/account number** is the number your financial institution assigned to you. For example, enter the number assigned to you (such as a bank account number or insurance policy number) in this box. When you fill out this form as a controlling person of an entity, enter the policy or account number assigned to the entity, not your personal number. If you do not have such a number, leave this box blank.

Section 2 – Declaration of tax residence

Use Section 2 to identify the account holder's tax residence and taxpayer identification number. If the account holder does not have such a number, give the reason.

Type of controlling person

Fill in this section **only** if you are filling out this form as a controlling person of an entity.

Controlling persons of an entity are the natural persons who exercise direct or indirect control over the entity. Generally, whether any person exercises control over an entity is determined in a way similar to how beneficial owners are identified for Canada's *Proceeds of Crime (Money Laundering) and Terrorist Financing Act*.

For example, a person is generally considered a controlling person of a corporation if they directly or indirectly own or control 25% or more of the corporation. When no natural person is identified as exercising control of the corporation, a director or senior official of the corporation is considered the controlling person.

Generally, an individual will be a **tax resident** of a jurisdiction if, under the laws of that jurisdiction, they pay or should be paying tax there because of their domicile, residence, or a similar criterion.

Individuals who are tax residents in more than one jurisdiction can rely on the tie-breaker rules in tax conventions (when they apply) to resolve cases of dual tax residence.

For more information on tax residency, talk to your tax adviser or go to oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/#d.en.347760.

A **taxpayer identification number**, often referred to by its abbreviation TIN, is a unique identifier made of letters or numbers that the jurisdiction assigns to an individual. The jurisdiction uses the TIN in administering its tax laws to identify the individual. Enter the TIN in its official format. For more details about acceptable TINs, go to oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-identification-numbers/#d.en.347759.

If you do not have a TIN from the United States, you have 90 days to apply for one and 15 days after you receive it to give it to your financial institution.

Reasons that fall under "Reason 3: **Other reason**" for not having a TIN include not being eligible to receive one. However, if you are eligible to receive a TIN but you do not have one, you have 90 days to apply for one through your jurisdiction of residence. You have 15 days after you receive it to give it to your financial institution.

Section 3 – Certification

Make sure you fill in and sign Section 3 before you give this form to your Canadian financial institution.

In the case of a trust, controlling persons include its settlors, trustees, protectors (if any), beneficiaries (or class of beneficiaries), and any other natural persons exercising ultimate effective control over the trust.

A settlor, trustee, protector, or beneficiary of a trust may be an entity. If so, to determine the trust's controlling persons you have to look through the entity's chain of control or ownership to identify the natural persons exercising ultimate effective control over the entity. You then have to report those you find as controlling persons of the trust. Financial institutions may apply this requirement in a way similar to how beneficial owners are identified for Canada's *Proceeds of Crime (Money Laundering) and Terrorist Financing Act*.

In the case of a legal arrangement other than a trust, controlling persons are persons in equivalent or similar positions.

Type of controlling person*

* Enter the description that best describes the type of controlling person:

- 1) Direct owner of a corporation or other legal person
- 2) Indirect owner of a corporation or other legal person (through an intermediary)
- 3) Director or senior official of a corporation or other legal person
- 4) Settlor of a trust
- 5) Trustee of a trust
- 6) Protector of a trust
- 7) Beneficiary of a trust
- 8) Other controlling person of a trust
- 9) Equivalent to a settlor of a legal arrangement other than a trust (e.g. partnership)
- 10) Equivalent to a trustee of a legal arrangement other than a trust (e.g. partnership)
- 11) Equivalent to a protector of a legal arrangement other than a trust (e.g. partnership)
- 12) Equivalent to a beneficiary of a legal arrangement other than a trust (e.g. partnership)
- 13) Other controlling person of a legal arrangement other than a trust (e.g. partnership)
