**Montreal, September 7, 2017** – Fiera Capital Corporation (TSX: FSZ) (“Fiera Capital” or the “Firm”) announced today improvements to its lineup of mutual funds. Fiera Capital, as manager of the mutual funds, regularly conducts reviews of its product shelf to ensure they continue to meet the evolving needs of advisors and investors.

"We made a number of enhancements to our funds lineup in direct response to the increasing need of Canadian investors who are looking for quality of choice and accessibility." said Julie Lalonde, Executive Vice President, Retail Markets and Strategic Investment Partnerships. "These enhancements are consistent with our plan to develop our Retail Markets business and to offer Fiera Capital's differentiated investment solutions to financial advisors and their clients."
